

Dear Friends of 1Hope Ministries,

Many of you have been praying for our Muphamuzi Baby Home dream.

We are very excited to let you know that **WE HAVE PURCHASED A HOME** for the Muphamuzi Baby Home.

After a year+ of praying and waiting on the Lord to provide the necessary funds, and spending the last couple of months looking at home after home after home, we are now making plans to get the home ready to care for babies. We are thankful for the past few months of ups and downs. Seeing some great homes, others not so great, we had the fun of putting in several offers, and we had the opportunity to trust the Lord as the offers came back declined. Then, in a matter of four days, we found a home, made an offer, and signed the contract.

For those of you who like details – It is a 4 bedroom, 2 bathroom home, with 2 living areas. The property also has a large building in the back alongside of a single garage that can be renovated and used for intern/volunteer housing, warehouse, offices etc. The home is on a quiet street but only 3 blocks from the large government hospital and only two kilometers from the city central and

Sunnyside. The home needs some light renovations done in order for us to run an effective place of care. With necessary help and funds we should be able to have the home ready within a month of being handed the keys.

I can say that for the past year it has been as if we were in the boat, and now we find ourselves stepping out onto the water. I know that God will be pleased to use this work as a way to grow us in our trust in Him each month as we watch how He will provide for each daily need. We do pray that we will keep our eyes on Him and in doing so have many stories to share of how big our God is!!

#### **HOW TO BE INVOLVED:**

There are many ways to be involved. One fun way that some of our supporters are doing is having a “baby shower” for the home. For those of you in the USA we have registered the Muphamuzi Baby Home at Target.

All items will be shipped to an address in the USA and the Baby items will then be sent to South Africa ASAP. If anyone would like to mail any items not listed in the registry please use this address: **Barbara O'Neill, 1402 Braken Avenue, Wilmington, Delaware 19808.**

**PLEASE CLICK ON THE LINK FOR THE REGISTRY WITH TARGET**

**Other ways to be involved:**

1. *ONE TIME GIFT* – will go towards renovations and furnishing the home (estimate of \$15 000 / R100 000)
2. *"CAMPAIGNER"* – committed monthly support which will go towards the monthly running costs of home and caring for babies.
3. *PRAYER PARTNERS* – Commit to regularly pray for each little baby that will come into our care and for each family that will come to offer a forever home.

To give you a bit of a time frame. We hope to have the keys in hand by the beginning of November and use the month of November to paint, clean and do some small renovations. We will also be completing necessary paperwork to become registered and approved as an official "Place of Safety". With that in mind it is quite possible we could start caring for babies even before Christmas arrives.

Please continue to pray with us!! We are praying God will bring ongoing partners that will help us care for the babies daily, both in the home as caregivers, and from far away as committed supporters.

We want to give great praise to our great God and Savior who is able to do far more than we could ever think or imagine and is so kind to allow us to be his children and servants.
